

Bland Bucks

As an added incentive for students to display positive behaviors and to strive to attain academic excellence, “Bland Bucks” have been designed.

“Bland Bucks” will be distributed to students by Mr. Bland when he sees students who are doing an excellent job at Jordan Elementary School. When a student receives a “Bland Buck”, he/she should deliver it to his/her classroom teacher. The teacher should then write the student’s name and the date on the back of the “Bland Buck”.

At the end of each month, “Bland Bucks” will be counted in each classroom, and the classroom receiving the most “Bland Bucks” will receive a classroom party. “Bland Bucks” will be returned to students at the end of each month for them to keep.
